

It's Easy

Music and lyrics by David Loving

Verse 1:

G D/F# Em C
There's something in the way you look at me
G D/F# Em C
Unspoken promises of what might be
G D/F# Em C
I swore that I would never fall again
G D D7
But I feel my grip begin to slip and then

Chorus:

G D/F# Em C
It's easy
C Em7/B
All I have to do is fall
Am7 G
Nothing difficult at all
G D/F# Em C
And it's easy
C Em7/B
Maybe this time I can fly
Am7 G
Or stop at any time
C Em7/B
I know the ground is hard
Am7 D
But still I tell myself
G D/F# Em C
It's easy

Verse 2:

G D/F# Em C
There's something in the sparkle in your eyes
G D/F# Em C
Makes me find a way to change my mind
G D/F# Em C
Exhausted hands so tired of holding on
G D D7
My fingers lose their place and then I'm gone

Chorus:

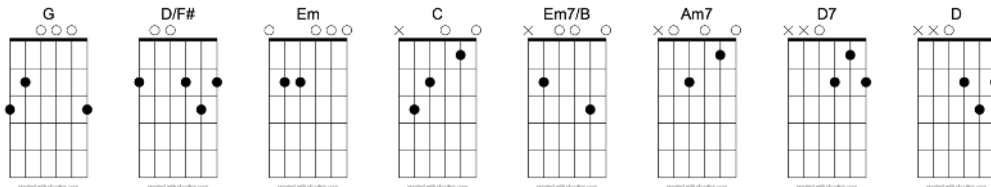

G D/F# Em C
And it's easy
C Em7/B
All I have to do is fall
Am7 G
Nothing difficult at all
G D/F# Em C
And it's easy
C Em7/B
Maybe this time I can fly
Am7 G
Or stop at any time
C Em7/B
I know the ground is hard
Am7 D
But still I tell myself
G D/F# Em C
It's easy

Bridge:

D C Em
Feel the rushing wind blow past outside
D C
Free falling into space and then I find

Outro:

G D/F# Em C
It's easy
G D/F# Em C
It's easy
G D/F# Em C
It's easy
G D/F# Em C
It's easy
G D/F# Em C
It's easy
